

*Amy Oraefo* is an entertainment lawyer, CEO, and influential speaker.

Amy is dedicated to the outreach and education of entrepreneurs and creatives. Prior to devoting her time and sharing knowledge with students, entrepreneurs, and content creators, Amy previously served as a writer and contributor for the Huffington Post and Huff Post Live.

As the owner and founder of Amy Oraefo, P.C., a boutique law firm, Amy serves as counsel for new and established businesses, entertainers, and content creators. In addition to devoting time to skillfully manage her law firm and serve as an Adjunct Professor, Amy is also a global consultant and advisor for artists within the United States and in various countries throughout the continent of Africa.

Currently, Amy Oraefo, Esq. is a member of The Recording Academy and she is also involved in several organizations that promote the growth of entrepreneurship and entertainment.
